

Lamoine Withdrawal Committee Meeting November 5, 2012
RSU Central Office 7:00 p.m. Joint meeting with Hancock
Minutes

Present: Jones, McFarland, Stewart, Donaldson

Hancock (and Lamoine) ask where the next draft of the items negotiated 10/22 is, as none has been sent to the towns. Ms. Lukas said she was waiting until all parts had been negotiated before she asked the lawyer to put it all in writing. We indicated that this was not what she had said 10/22 and that our committee was waiting to see this language before it could finally adopt it or suggest further changes.

We discussed the points again that were raised October 22. We reminded the Board that they had agreed to caucus over their position on the "cap" (item 4). They have not done so.

Lamoine and Hancock gave the RSUB a draft of language (date: Nov 3, 2012) pertaining to the 10-year high school contract we propose to enter into with RSU 24 and with Ellsworth.

Agreed to schedule another meeting the week after Thanksgiving.

Respectfully Submitted,

Doug Stewart, Secretary
